Booking & Payment

It is advised that you make your booking as early as possible, as places on certain courses and activities are strictly limited. Confirmation of booking is subject to the payment of a deposit - £200. The balance of fees should be paid no later than Sunday 6th June 2021, 4-weeks prior to the start date of the Summer School. Any booking made after this date must be paid in full within 21 days of invoice.

Any course payment made will require you to quote your booking reference number, which will be given on your invoice.

Cancellation

All cancellations must be made via email to summerschool@kilgraston.com. Cancellations will take effect from the date we receive the email.

We understand that current circumstances are difficult and can change very quickly. If we have to cancel the Summer School for any reason relating to CO-VID 19, we will offer a full refund, including deposit, or a credit transfer to any bookings made at that time, no matter how close to the course start date. If a student has to cancel due to any CO-VID restrictions put in place by either their home government or the UK government, we will offer a full refund including deposit.

General non-CO-VID related cancellations, including instances when a visa application is rejected, will be given a refund, minus the deposit, if made by Sunday 6th June 2021. Any cancellations made after this date will be charged the full course fee.

Refunds will be paid within four weeks of your providing us with bank details and signed authorization that the refund should be paid to that account.

Insurance

All students must arrange and show proof of appropriate medical, travel and personal insurance. Please follow your home government's advice on the appropriate insurance needed for travel to the UK. Students are not insured by the school against accidents, illness, theft or loss of personal effects, and the school accepts no responsibility in the event of such occurrences.

The Summer School rules, outlined below, are designed to ensure that all students and staff are safe during their time with us, and that the Summer School remains free of any unpleasant, intimidating and aggressive behaviour.
